Pune: Madhu Raut, a student of MTech cyber security at the Defence Institute of Advanced Technology (DIAT), a deemed university of the Defence Research and Development Organisation, has been selected to represent India at 'ASEAN-India Hackathon-2021'.

The hackathon will be held online from February 1 to 4 via

a digital collaborative form. Raut cleared the technical test and interview conducted by the Ministry of Education's Innovation Cell and the All India Council for Technical Education. She will be part of a six-member team.
